**ORDER**

**ROBERT W. LEHRBURGER, United States Magistrate Judge.**

This order addresses PDV's application for a pre-motion conference concerning Interamerican's identification and withholding of certain documents pursuant to the attorney-client privilege. (Dkt. 70.) Based on Interamerican's representation in Dkt. 75 that it will provide an updated privilege log with additional information about the documents at issue, and that it will produce documents provided to Esther Nufher, PDV's application is denied without prejudice to renewal after it receives a revised privilege log from Interamerican. Additionally, by **April 26, 2022**, Interamerican shall file a certified translation of the retention agreement attached as Exhibit A to Dkt. 75.

SO ORDERED.

A handwritten signature in black ink, appearing to read "R. Lehrburger".
